tansi, caregivers, youth and members of the Nation,

Re: School Start Update

Please be advised that due to the positive COVID 19 cases related to the Nation and in correlation to the information posted on the Enoch Nation facebook page, we will delay the start of school to September 21st as the tentative date. Bus transportation will also be delayed at this time for caregivers that plan to send their child(ren) to school off-reserve. Sorry for the inconvenience that this may cause but the health and safety of students and staff is of the utmost importance during this uncertain time. We will continue to keep you posted with school plans and bus transportation moving forward. Thank you.

Respectfully,

Darcella Kasokeo
Director of Education
